# INTERNATIONAL CONFERENCE ON CHEMISTRY FOR SOCIETY, HEALTH, INDUSTRIES & PHARMACY ( ICCSHIP-2025)

February 12-15, 2025

: Organized by :

**Department of Chemistry**  
**Dayanand Science College, Latur**

Affiliated to  
**Swami Ramanand Teerth Marathwada University, Nanded**

DST-FIST, UGC-CPE, NAAC 3rd Cycle A+ Grade (CGPA 3.40), Microsofts Innovative & Showcase College in Digital Technology, Best College Award from SRTMUN, 16th State Level Award for Excellence in Energy Conservation, National Energy Conservation Award First Prize 2022, National Level 1st Award for Scientific Calendar-2023.

Dear colleagues,

It gives us immense pleasure to invite you to participate in the International Conference on "Chemistry for Society, Health, Industry and Pharmacy" (ICCSHIP-2025). All academicians, researchers and Industrialist in the branches of Chemistry, Life Science, Food, Health, Pharmaceutical Chemistry, Agricultural chemistry, Environmental sciences, Material Science, Nanomaterial, Applied Chemical Engineering and other Interdisciplinary subject are kindly requested to submit original abstract for Oral/Poster presentation. For more information about the guidelines, please check the website <http://dsclatur.org/iccship2025> or email us at: [iccship2025@gmail.com](mailto:iccship2025@gmail.com)

## Objectives

The main aim of conference to brings together the best minds in chemical science research from around the world and challenges them to propose innovative solutions for society's most pressing needs in the areas of health, food, industry and environment. To exchange of knowledge among the academicians, researchers, industrialist, technologists, scientists, professors, research scholars and students to promote interaction to review new challenges in the fields of chemistry and its allied subjects. The scientific program will consist of keynote speakers, plenary sessions (invited talks) and oral presentations.

## About the Institution

Dayanand Education Society is one of the oldest educational Institutions which were established in 1961. The motto of institute is "Let the noble thoughts come to us from all the directions of the universe. In the campus of Dayanand Education Institute there are six different Colleges imparting education from Junior to Senior College level to 15,000 students. In this Institute, about 800 teaching and non-teaching staff who constantly strives hard to achieves the mission and goals of the Society. For more information click link: <https://dsclatur.org/history/>

## About The College

Dayanand Science College, Latur, is unique, first oldest and the finest single faculty college in the region of Marathwada, pursuing excellence in science education with several branches. Due to the quality education, the college received different National and International awards and schemes. In last ten years college organized 17 Inspire science campus, 4 national level refresher courses, 3 International, 18 National, 12 State/ Regional conferences and workshops. In the year 2022, College had been awarded "A+" grade in NAAC Accreditation 3rd cycle with CGPA 3.40 out of 4.00. Recently college has achieved First Prize in National Energy Conservation Award-2022 given by Ministry of Power, Bureau of Energy Efficiency of Govt. of India on 14th December 2022. For more information click on <https://dsclatur.org/about-college/>

## About the Department

The Department of Chemistry is the prominent department in SRTM University, Nanded for UG, PG and Ph.D. level programs. In the last five years, the department has organized National seminars /workshops/ Short term Courses, Science festival, Exhibition for UG and PG students, faculty and Researchers. Our faculty published near about 165 research paper, 13 National/International books, 19 Chapters in International Edited books, 05 Indian patents. ## Themes of conference

- ▶ Chemistry: Education, Society,
- ▶ Organic synthesis and Methodology
- ▶ Environmental and Green Chemistry
- ▶ Natural Products & Polymer Chemistry
- ▶ Pharmaceutical, Pharmacology,
- ▶ Nano science & Materials Chemistry
- ▶ Biochemistry & Biotechnology
- ▶ Forensic and Clinical Chemistry
- ▶ Industrial Chemistry and Engineering
- ▶ Sugar and Alcohol Technology
- ▶ Coordination & Industrial Pollution
- ▶ Chemical Recycling of Waste
- ▶ Bioanalytical Chemistry
- ▶ Developments in Green Synthesis
- ▶ Photochemistry & Photo catalysis
- ▶ Bio-organic Medicinal Chemistry
- ▶ Computational and click Chemistry
- ▶ Drug Design & development
- ▶ Agrochemicals & Petrochemicals
- ▶ Soil and Agricultural Chemistry

## About Latur

Latur is an important agricultural hub, particularly known for the production of pulses, oilseeds, and sugarcane. Latur has a number of tourist attractions, including the Udgir Fort (50km), Naldurga Fort (80Km), which played a significant role in the battle between the Marathas and the Nizam's army.
